---

Karen,,

Please consider this as my approval in accordance with EPA Purchase Card Policy for the purchase of a pair of field safety boots.

The boots must meet ANSI standards, be steel-toed, and have ankle support.  
We can suggest Lehigh Safety Shoe Co.,  
3230-S Peachtree Corners Circle, Norcross, GA 30092  
Phone: 770-447-5033

Walter,

I have been unable to find a pair of boots through the catalog that fit properly. I am requesting your authorization to use my bankcard to purchase a pair of steel-toed boots. Please provide any minimum standards you require for such a purchase.

Thanks,

Karen Buerki
